**CATALOG
25/26**

Founded in 2005, **Mentor Performance Parts** is a pioneer in Hot Rod and Classic Muscle Car performance&tuning components. With a sprawling 2,000m² warehouse and eight partnering factories staffed by over 900 skilled workers, we've built a robust one-stop supply chain — Covering more than 80 trusted suppliers — to meet diverse customer requirements.

What We Offer

We specialize exclusively in high performance parts for classic and modern muscle cars, trucks, and hot rods. We have an extensive line of Mopar Parts, Camaro parts, Firebird parts, Nova parts, Impala parts, Chevy C10 parts, GM truck parts and Tri-Five Chevy Parts, including:

- ▶ Air & Fuel Delivery, Engine Components
- ▶ Exhaust, Suspension, Drivetrain, Transmission
- ▶ Cooling & Heating, Braking, Steering Systems
- ▶ Ignition & Electrical, Interior & Exterior
- ▶ Tools & Equipment, Marine/Yacht Parts

Why Choose Mentor

- ▶ Over 80% of our customers are repeat buyers or come through referrals — proof of our commitment to quality and value.
- ▶ We offer flexible MOQ, competitive pricing, and pride ourselves on rapid turnaround times.
- ▶ Our services go beyond sales: we provide design, modification, innovation and customization based on customer feedback—manufacturing to your samples or specifications.

Global Reach, Quick Service

We serve customers worldwide, backed by strong export experience. Whether you're a restoration shop, racing team, or classic car enthusiast, Mentor delivers parts that enhance performance and exceed expectations.

We welcome your inquiries and look forward to exploring how we can support your next project. Contact us today — our team is ready to respond promptly, Thanks!

TABLE OF CONTENTS

001 - Air Intake Kit
013 - Air Filter
017 - Blow Off Valve
037 - Intake Manifold
